HERE'S the POINT!

By SPENCE HELD

I had vaguely intended to hibernate over the rainy weekend, watching the weather from my usual observation post atop Point Loma.

But Friday night my favorite school teacher nudged me into going to the Point Loma-Lincoln basketball game; Saturday we attended the O. B. Chamber of Commerce dinner; and Sunday night it was a case of "Friendly Persuasion."

* * *

Yeah, and MFST made no mistake in persuading me to see that movie at the Strand Theatre.

It has everything — humor, pathos, action, romance—and a climax that practically knocks you out of your seat.

This story of a Quaker family that rejects force and violence, troubled by the Civil War coming closer and closer to their peaceful farm, is produced with honesty and sincerity.

Gary Cooper and Dorothy McGuire are excellent as the very human Quaker couple. And young Anthony Perkins, a newcomer to the screen, does a fine job in the role of the boy whose natural impulse to grab a gun and fight for his homeland is in conflict with his religious ideals.

"Friendly Persuasion" is breaking all attendance records at the Strand. It will be shown today, Friday and Saturday.

Don't miss it . . . And don't say I didn't warn you.

* * *

At the dinner Saturday night in the Kona Kai Club, Mayor Charles C. Dail told the O. B. Chamber members that "your batting average is very good at the Civic Center."

Well, I have an idea that Howard Pentoney, the new president, will be going to bat on the Sunset Cliffs improvement project before long . . . He plans to name a citizens' committee to investigate the situation and then make recommendations to the City Council.

* * *

That basketball game between Point Loma and Lincoln was a fiercely fought engagement if I ever saw one.

The Lincoln gym is new but fairly small, and when the Hornets first went ahead 7-6 I thought the explosion would blow the roof off. Boy, those Lincoln kids really hollered!

Point Loma was there in force and backed its team to the limit . . . Actually, Lincoln had a height advantage but the local lads almost made up for it with their fighting spirit.

Gene Fleming, an ordinary-sized guard, was all over the court, jumping, diving, dribbling and shooting.

Late in the fourth period Point Loma pulled up to within one point of Lincoln, 30-31, but free throws and a field goal or two gave the Hornets a 37-30 decision.

Coach Hil Crosthwaite has a good bunch of boys . . . They'll do all right.

Point Loma High Meets Hoover Fri.

Point Loma High School's basketball team will take on another tough one Friday night.

The locals will meet Hoover High Friday at 8:15 p.m. at the East San Diego gym. Hoover is leading the City League, having defeated Lincoln Tuesday night.

Point Loma lost to Lincoln, 37-30, last Friday night but it was a close, hard-fought contest all the way.

The locals beat Kearney, 41-29, Tuesday night. Bill Blee tossed in 13 points.

Awards Presented To Local Realtors By David G. Fleet

David G. Fleet, developer of Fleetridge and a charter member of the Point Loma-Ocean Beach Realty Association, presented several awards at a meeting of the association Monday night, it was reported.

The awards were made for turning in good listings to the Multiple Listing Service—and went to realtors with the highest percentage of listings sold by the Multiple Listing Service.

In the large office division, a trophy and $100 check were awarded to Siegel Realty as first place winner. Plaques went to Carl Ackerman, second, and Robert Crooks Co., third.

In the small office division, Hilmen Realty was awarded the first place trophy and $100 check. Plaques were given to Ruth Anderson Realty, second, and Gray Realty, third.

March Of Dimes Under Way Here

Harold Tebbetts, Ocean Beach chairman for the March of Dimes, this week reminded local residents that coin collectors have been placed in approximately 300 business establishments in this area.

"This was done," he said, "through the splendid cooperation of the O. B. Kiwanis Club, under the direction of Russ Wilson and Jim Restine.

"Also assisting the March of Dimes program was the Key Club of Pt. Loma High School, Mike Werthman, president. This group of boys distributed the well-known 'Remember Me' posters depicting the crippled child on crutches."

Tebbets said the need for funds is as great as ever despite the success of the Salk vaccine, and urged residents to contribute to the best of their ability.

No License Tabs Available Here

Editor: As far as I know, the Peninsula area is the only large community in San Diego where a person cannot get auto license tabs.

In Pacific Beach, La Jolla and other outlying areas, the banks receive the tabs annually from the State Motor Vehicle Department and make them available to motorists in their community.

The Ocean Beach Branch of the Bank of America informed me that they have tried repeatedly, without success, to obtain the tabs in order to make this service available to the public.

The man I talked to at the bank suggested that residents of this area contact the Motor Vehicle Department's office at 310 Cedar St. and make their wishes known. (The phone number is BE-3-5153.)

Residents out here should not have to go downtown to obtain their tabs.

Construction Starts On New Building For Pt. Loma Branch, Bank Of America

With actual construction having started Monday, formal groundbreaking ceremonies for a new building to house Point Loma Branch, Bank of America, were to be held at 9:30 a.m. today at Dickens and Rosecrans Sts..

The lot, building and equipment will represent an investment of aproximately $250,000, according to Jay Thomson, manager.

"We expect to occupy the completed building by early June," he said.

The construction contract was awarded to O. O. and R. E. Maurer, of 3952 Midway Dr. The building will be of contemporary stone and masonry construction— a "high" one-story structure embodying the latest developments in banking.

There will be a complete escrow department, safe deposit department, night depository, 10 paying and receiving windows and five note windows, Thomson reported.

A parking area at the rear will accommodate 35 cars.

Temporary quarters of the bank are at 1065 Rosecrans St.

David Cherry Of Pt. Loma Nominated For Summer Scholarship To Europe

David Cherry, son of Mr. and Mrs. David Cherry, of 2174 Clove St., has been named the Point Loma High School nominee for a scholarship to Europe this summer.

The Point Loma Committee for the American Field Service will send his name in for further screening by the New York committee, which places the students. American high school students are sent to spend seven weeks in a European home, on the exchange program which brings European students to America for the school year.

This is the first year Point Loma will send a student to Europe. Last year Peter Lykke, from Norway, attended Point Loma High School on this program, and this year Europe is represented by Nina Steen Vestergaard, of Denmark.

The local committee is composed of representatives from interested organizations in the Peninsula area. Money to support the program is donated by many community groups and individuals. Chairman of the committee is Dr. Don Kimmerling; treasurer is Don Giddings, vice-principal of Pt. Loma High School.

SLOGAN CONTEST

Sarah Barnett, of 3309 Whittier St., was last week's winner in the Peninsula News Booster Slogan Contest. Her winning slogan is on Page 8, along with details of the weekly contest.

Free Luncheon Set

Free lunch at King's Restaurant, on Newport Ave., Monday, Jan. 28, from 11 a.m. to 2 p.m.!

The Chamber of Commerce will provide the volunteer waitresses and Mr. King will furnish food—and dishwashers. Diners will make contributions to the March of Dimes in payment for their food.

The event is planned for a Monday because the restaurant ordinarily is closed that day.

Officers Elected By Pony League

Ocean Beach-Point Loma Pony League held its election of officers Jan. 11. The officers for the coming year are Len Cardoza, president; Delbert Dolphin, vice president; Bill Jorgenson, secretary; Fred Gentles, treasurer; and George Callahan, players' agent.

Five team managers have been selected—Dick Robbins, Mike Nigretti, George Woodbury, Wayne Debate and M. G. Edwards.

Many committee positions must be filled by parents whose sons will be playing Pony League baseball this season. No registration of boys will be undertaken until all committee vacancies are filled.

Parents whose sons are interested in playing baseball are urgently requested to show their interest by attending the next meeting. The date and time will be announced in the next issue of the Peninsula News.

O. B. Chamber Installs Officers, Directors

Plans have been prepared for the big recreation area at the foot of Bacon St., "and we hope to ask for bids soon to put it into operation," said Carl Reupsch, Mission Bay Park director, at the O. B. Chamber of Commerce dinner meeting in Kona Kai Club Saturday night.

Location of the recreation area is south of the flood control channel.

Mayor Charles C. Dail presented William (Bill) Knopp, outgoing president of the Chamber, with a key to the city.

"I wish your new president well," said Dail.

Howard A. Pentoney, president, and other new officers and directors were installed by Councilman Clair Burgener. County Supervisor Frank Gibson presented the Ocean Beach "Citizen of the Year" award to Harry La Dou for community service in 1956.

La Dou, a former Chamber president, was chairman of the Beach Improvement Committee last year.

The Mayor's Trophy, awarded to the Chamber for the second time for its winning float in the North Park Toyland Parade, was presented to Knopp by Dr. Douglas McElfresh, of the North Park Business Club.

Knopp, who presided at the meeting, briefly reviewed a year marked by cooperation with the City in the Fiesta del Pacifico, a successful Daz-O-Fun celebration here, the community Christmas tree, and other projects and events sponsored by the Chamber.

Pentoney, the new president, said: "I will do everything in my power to uphold your confidence and benefit Ocean Beach. The officers need the full cooperation of the members. We are going to make an effort to get more people to participate this year."

At the first meeting of the new board of directors Tuesday in King's Cafe, the following committee chairmen were named:

Beach Improvement—Harry La Dou.
Membership—Henry Wolf.
Parking—Dave Pain.
Daz-O-Fun—Bill Knopp.
Welcome—Robert (Bud) Overby.

The public is invited.

Sportfishermen Make Big Hauls Of Bottom Fish

Staggering toll of rock cod, lings, cow cod, sole and other choice morsels among the bottom fish being taken by deep sea anglers continued to mount this week in spite of a few damp and dreary days which in no way affected the fishing.

If anything, rainy weather which was not attended by wind actually improved catches for the individuals who shrugged off the dampness and hauled up the cod and lings hand over fist. Sample catches were a haul of 278 rock cod, 6 soles, 1 cow cod and five lings made by a small party aboard Offie Collins' Fisherette and a take of 299 rock cod, four sole, four lings and two cow cod made by the larger Mascot III under similar conditions.

Individual anglers from the Ocean Beach-Point Loma sector who checked in excellent catches of larger fish were: Wilson Edwards, Larry Edwards, Ed Petke, Major Harry Halladay, C. W. Johnson and John Martin.

Annual whale hunt conducted by San Diego sportfishing boats from the Municipal Sportfishing Pier also continued on a high plane, and the shutter bugs were given ample opportunity to photograph the migrating mammals at close range.

Annual Doll Show

It is time again for Goodwill's Annual Doll Show which will be held at the Goodwill Industries, 5th & J Sts., Feb. 4-9, from 9 a.m. to 4 p.m. daily. Admission is free.

As usual the show will feature many outstanding private collections, as well as dolls donated to Goodwill and dressed by Mrs. Lydia Turnbaugh, who is in charge.

Collectors are invited to exhibit their dolls, and anyone wishing information, please contact Turnbaugh, at BE-3-5157, not later than Jan. 30, final date for entries.

School Children Raise Money For Hungarian Relief

Children of Loma Portal School responded in an unselfish manner to the sufferings and hardships of the people of Hungary. In the annual Christmas Giving Project held at the school, a total of $138.69 was collected.

The sum was divided between "Meals for Millions," with the food earmarked for the people of Hungary, and the National American Red Cross Emergency Hungarian Relief. During the collection time, ice cream was not sold at school and the children donated their ice cream money to the project.

In addition to the school-wide project, several children raised money for Hungarian relief with projects at home. Robert Bettag and William Rubin, both in Grade 5, held a carnival in their backyard and raised $.87.

Bob Ward, Grade 5, and a group of his friends had a carnival in the Ward backyard and raised $7. The Maxwell Nelson children raised $4.

Another group of Loma Portal children, Nancy Breitenbach, Mary Michael Hale and Marilyn Counsell, all in Grade 6, went caroling at Christmas time and raised an additional $1.50 for Hungarian Relief.

Miss Sydnie Higgins, principal of Loma Portal School, congratulated the children on their fine showing, at a recent assembly. Letters of thanks from two agencies were read.

Commander Bill Brittian urges all veterans in the community to attend.

Blue Birds & Camp Fire Girls Start Their Annual Peanut Sale Tomorrow

Doorbells will start ringing Friday, Jan. 18 at homes in the Peninsula area and throughout the county and nearly 3000 Blue Birds and Camp Fire Girls will be in the peanut business, as their annual peanut sale gets under way.

Heading the sale in the Point Loma-Ocean Beach area is Mrs. James A. Wilson, 2719 Chatsworth.

Mrs. Wilson said the peanut sale is important to each Blue Bird and Camp Fire Girl because they know it provides funds to improve and develop their two campsites: Camp Wolahi, summer playground in Cuyamaca Mountains and Camp Loligro, the girrls' day camp in Balboa Park, plus expansion of the Camp Fire Girls youth program through the County Council.

The young sales girls, ranging in age from 7 to 18, are out to sell 120,000 cans of peanuts by Feb. 2, when the sale winds up.

The vacuum packed Virginia blanched peanuts in an attractive Camp Fire package will sell for 50 cents per can.

Certificates of Merit will be presented to every member of every group which reaches its quota of two cases per girl.

HEALTH FOR ALL

What's your prescription for the common cold? Everyone seems to have his own, and each one seems to work—sometimes.

This is the peak of the cold season. Of course, no one can count the number of colds now plaguing the public. It's not a reportable disease and it's not a factor in mortality statistics. But judging from the fact that deaths from pneumonia, bronchitis, rheumatic fever and asthma, among others, are highest in January, we know it's a pretty tough month to get through.

It's two to one you have a package of cold tissues in your pocket this minute.

What is the best way to get rid of a cold? Science doesn't have a ready answer, since evaluation of treatments for the common cold is difficult. Some colds seem to be self-limiting—that is, you get over them in five days or so no matter what treatment you use. Others hang on for weeks. Sometimes if you go to bed with the first symptom of a cold, you can lick it in a day. Other times it doesn't work.

The standard treatment for a cold is to force fluids—drink all the water and fruit juices you can get down. And now a new treatment has been announced that works on an opposite principle—dehydration. This sounds heroic but, if your own doctor agrees, you might give it a try.

According to Dr. Guy T. Vise of Mississippi who had good results with 90 per cent of patients with this treatment, you must wrap up in a sheet and several blankets so that even head and face are covered for two hours daily in company with hot water bottles or an electric pad. Drink no water. Take only a cup of soup, juice, tea or coffee every three hours. A laxative and sometimes other drugs such as aspirin, antihistamines and antibiotics are given if necessary.

If you don't like this method, try to avoid getting a cold. It's amazing what plenty of rest and sleep, a balanced diet, staying away from crowds and wearing proper clothes will do to discourage infection. It's really worth trying.

Spicy Pumpkin Pie Is Holiday Treat

The family will really cheer when you serve this delicious-tasting, spicy pumpkin pie that's easy-as-pie to prepare this new way. Start by rolling the pastry dough out on a square of the new, quilted aluminum foil that's available now in rolls 14 inches wide. Kaiser broiler foil is a stronger, heavier foil that's more resistant to tearing so it lends itself to more household tasks. You'll want a square about 14 inches in size. No need to flour the foil, just roll out so pastry round is roughly 1½ inches wider than the pie pan. Trim with dull table knife. Then simply lift the foil with the dough and center it in the pie pan with the foil next to the pan. Next, make a silvery stand-up collar to keep the edge from over-browning and to prevent boilovers.

SPICY PUMPKIN PIE

Pastry for 9-inch pie
2 cups canned or mashed cooked pumpkin
½ tsp. salt
2 large eggs
1¾ cups milk
⅔ cup brown sugar
2 tbsps. white sugar
1¼ tsps. cinnamon
½ tsp. ginger
¼ tsp. nutmeg
¼ tsp. ground cloves

Line pan with pastry rolled out on quilted foil. Flute edge of crust and trim off corners of foil to make upturned collar. Combine ingredients for filling and beat well. Pour filling mixture into foil and pastry lined pan. Bake in hot oven (425°F.) 45 to 55 mins. or until done. Test by inserting silver knife into pie 2 inches from edge. When knife comes out clean, pie is done. Center will be soft but will set as pie cools. Serve warm or cool, topped with whipped cream.

Expecting that it will break all records for attendance, the Motor Car Dealers' Association of San Diego County anticipates that fully 100,000 persons will visit the San Diego Auto Show, opening Friday, Jan. 18.

Approximately 125 cars will be on display. Many of them have never been shown before and are so completely new that even the dealers haven't seen them yet. Production models, as well as "dream cars," will be shown.

Francis Eric Bloy, Episcopal Bishop of Los Angeles (center); the Very Rev. T. Raymond Jones (left), dean of the S. D. Convocation of Episcopal Churches, and the Rev. Harold B. Robinson (right), convention chairman.

Local Women To Attend Auxiliary Meeting At Episcopal Convention

The annual meeting of the Woman's Auxiliary of the Episcopal Diocese of Los Angeles will be held Jan. 22 in San Diego, marking the first time in the 62-year history of the diocese that such a meeting has been held outside the See City of Los Angeles.

The day's program will open with Holy Communion at 10 a.m., celebrated by the Rt. Rev. Francis Eric Bloy at St. Paul's Episcopal church, 2729 Fifth Ave. At the conclusion of the service the Bishop will formally install the 1957 Diocesan, Convocational and branch officers of the Woman's Auxiliary.

Luncheon will be at 1 p.m. at the Balboa Park Club, at which the guest speaker will be the Rev. Peter Boes, rector of St. Peter's Episcopal church, Redwood City. The Rev. Mr. Boes recently returned from an illuminating visit behind the Iron Curtain, and will relate the persistance of the Christian faith among the Russian people and their growing hope that it will eventually dominate the widespread atheism in the country.

Many local women have made reservations to attend the luncheon and meetng to follow. Representatives from All Souls' church will be Mmes. Lawrence W. Pearson, Richard S. McCune, Rudolf E. Knepper, Jack C. Thompson Jr., and Otis Howard.

Attending from Holy Trinity church, Ocean Beach, will be Mmes. Fred Jackson, Everett Lloyd, Cecil Carr, John Jenkins, Evert Wilson, Leland Plaisted, Mae Gardner, Herman Werth, Howard Meyer, Mary Hoag, Austin Hartvigsen, John Hopkins, Jack Morgan, Ernest C. Wooley, Charles E. Wood Jr., Hiram Strong and Julia T. McGarvey and Miss Diana Preble.

Mrs. John Shahan, president-elect of the Woman's Auxiliary, Diocese of Kansas, will also attend as the guest of Mrs. Hartvigsen.

Northwest YMCA Sets Dinner Mon.

"The 'Y' from Six to Sixty" will be the theme of the annual dinner meeting of members and friends of the Northwest YMCA on Monday, Jan. 21 at 7 p.m., in the Pt. Loma High School cafeteria.

Don Giddings, "Y" board member and vice-principal of the high school, will be MC. New board members and officers will be introduced.

Two-minute talks will outline activities of the Northwest branch. Special entertainment is to be provided by the Loman Four and a group of musicians from the school.

Local Delegates Announced For Episcopal Meeting

Next week marks the first time since the establishment of the Episcopal Diocese of Los Angeles in 1895 that the annual convention has been held away from the See City, and Episcopalians of the Peninsula area are joining with others of the San Diego Convocation to make this a memorable event.

On Jan. 23 and 24, the business of legislating for the Diocese during the coming year will be conducted in San Diego. Delegates from Holy Trinity church, Ocean Beach, who will attend are Walter Ward, Austin Hartvigsen and Warren McAfee; alternates are Lloyd Tucker, Harold Sterling and Walter Hellmuth.

The Pre-Convention service Tuesday, Jan. 22, will open at 7:30 p.m. at the First Presbyterian church. The Rt. Rev. Francis Eric Bloy and the Rt. Rev. Donald J. Campbell will deliver their annual addresses at this service.

Convention will officially open at 9 a.m., Jan. 23, at St. Paul's Episcopal church, with Holy Communion celebrated by Bishop Bloy. The Most Rev. Harold E. Sexton, D.D., Lord Archbishop of British Columbia and metropolitan of the Province of British Columbia and the Yukon, will be the preacher at this service.

The morning business session will be held at St. Paul's church, with adjournment at 12:30 p.m.

The convention will reconvene at 2:30 p.m. at the U. S. Grant Hotel, official convention headquarters for the more than 750 clergy and lay delegates from the 159 Episcopal churches in Southern California. Adjournment is scheduled for Thursday evening.

Highlight of convention activities will be the Convention Ball to be held Wednesday evening

Welfare Council Sets Annual Meeting Jan. 23

The annual Community Welfare Council meeting and election of officers is slated for Wednesday noon, Jan. 23 at El Cortez Hotel, Mrs. Walter Broderick, meeting chairman, announced today.

Key speaker for the luncheon meeting will be Jay L. Roney, director of the Bureau of Public Assistance for Social Security Administration, Washington, D.C.

Dr. Lucius Johnson, president of the Community Welfare Council, said the theme of the meeting is "Partners in Progress."

He said that Roney will discuss the importance of partnership between public and private agencies, pointing out that they are all a part of the same pattern of human services in any community.

Roney will also emphasize the need for the community to participate in planning for and developing services, both public and private, through planning groups such as the Community Welfare Council.

Recent developments and proposed changes in Social Security and Public Assistance will be reviewed by Roney to give this community an inside look at federal programs and their effect on local operations and services, according to Johnson.

The meeting is open to the public. Reservations may be obtained by calling BE-2-1055.

If you are asked to sign a contract in any business deal, be sure to read the terms carefully. Know what you are signing, and retain a copy for your files, your San Diego Better Busniess Bureau advises.

MULLING WITH MULLER

By Edna M. Muller

As December 25th draws closer, excitement grows greater, for it is truly the most festive season of the year! Of course, there are hectic weeks of shopping, wrapping, cooking, etc., in preparation, but it's fun too. And the best part, I think, is the trimming of the Christmas tree.

Incidentally, if you're celebrating baby's first Christmas—here's an idea that's both cute and sentimental. Buy a small tree planted in a tub. Placing it in a cool spot in the room decorate with tiny silver stars and ornaments. After the holidays are over, plant your little tree on the front lawn, where watching it grow bigger and taller each year will be a constant reminder of that "special" first Yuletide!

This is also the time of year to remind you to circle December 23rd on your calendar! On that Sunday afternoon at 5:30 (EST), over the entire ABC radio network, the beautiful Christmas story of the birth of the Christ child will again be dramatized. This will mark the eleventh season for the traditional broadcast on "The Greatest Story Ever Told" program. During these past years many churches, civic groups, and hospitals, have made listening to this Christmas classic a highlight of their holiday festivities.

"The Greatest Story Ever Told," which has been on the airwaves every Sunday, at the same hour, for nearly eleven years, has never carried a single commercial or institutional message — making it the most outstanding public service program on the air!

Somehow, with the family gathered together for this anniversary, listening to this broadcast seems a lovely way to start the holiday celebration!

LOOK FOR THE "HOOK!"

Fishing for fish is great sport, and bait is a popular lure for fetching the gullible and unwary.

"Bait" is sometimes used in advertising, too, by unethical operators to fool the public.

If the advertised item isn't as represented; if not available for inspection or immediate purchase; if the salesman belittles it—beware! It's probably just "sucker bait."

in doubt? find out...

Grapefruit Starts Day Right

With all the emphasis on winter health and better breakfasts, it's a wise woman who sets her table for the first meal of the day with the proper components for good health and energy. And every woman knows that nothing has a cleaner, wake-up taste first thing than a juicy half Florida grapefruit.

Florida grapefruit is right at the peak of its goodness and flavor now. You'll find both seeded and seedless, white and pink grapefruit in your markets. Fix them properly, separating each section from the dividing membranes, and serve with various toppings every day while they're so good. For they're so good for you! Low in calories, high in vitamin C, they're your ablest ally whether you're fighting the battle of the bulge or just plain colds.

Besides your daily citrus, a well-balanced breakfast should include eggs in some form (here's an omelet, a pleasant change and easy too), sausage or bacon or ham; toast and butter, and of course, milk. Remember that adults need milk just as children do.

ORDER OF EASTERN STAR

Mrs. Grace Mayers will be after-chapter party chairman.

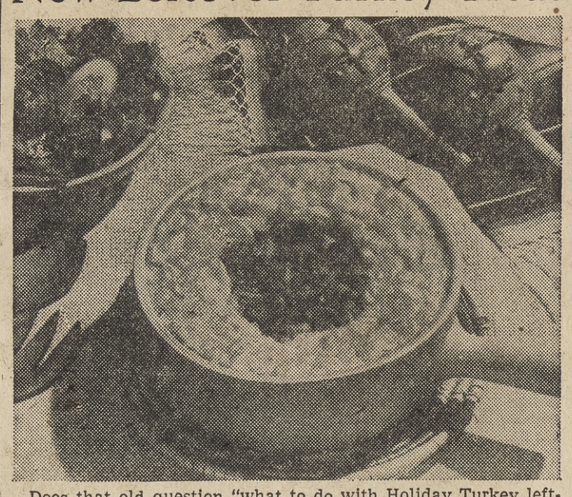
New Leftover Turkey Treat



Does that old question "what to do with Holiday Turkey leftovers" have you stumped again this year? If so, here's an answer to this perennial problem that'll make the family stand up and cheer!

It's spicy, easy to make, Turkey Tamale Treat and you'll find it a welcome change from the usual post-Holiday hashes and a la kings. A flavor secret of Turkey Tamale Treat is its pre-baked Albers corn meal crust. Time saving tip: bake the crust while you make the filling.

TURKEY TAMALE TREAT
(Makes 4 to 6 servings)

Crust and Topping: Combine 3-4 cups water, 1 tablespoon salt and 1½ cups Albers Yellow Corn Meal in saucepan over medium heat. Cook until very thick (about 7 to 10 minutes), stirring constantly. Line sides and bottom of 2-quart buttered casserole with 2/3 of the corn meal mixture. Bake in hot oven (400° F.) about 20 minutes to give a crisp crust. Remove from oven and fill with turkey filling.

TURKEY FILLING

- 1 cup chopped onion
- 2 tablespoons shortening
- 2 cups (2 8-ounce cans) tomato sauce
- 1 cup (4 ounces) grated cheddar cheese
- 1 teaspoon salt
- 1 tablespoon sugar
- 1 tablespoon chili powder
- 2 cups diced cooked turkey
- 1½ cups (12 ounce can) well-drained whole kernel corn
- ½ cup sliced ripe olives

While crust is baking, brown onion in shortening in large skillet over medium heat until golden brown. Add tomato sauce and ½ cup grated cheese. Stir constantly until cheese is melted. Stir in salt, sugar and chili powder. Add turkey, corn and olives. Mix well. Cook mixture about 5 minutes longer over low heat. Place turkey mixture in corn meal-lined casserole. Top with remaining corn meal mixture. Sprinkle the remaining ½ cup grated cheese over corn meal topping. Bake in hot oven (400° F.) about 30 minutes, or until bubbly.

Grapefruit Grand With Turkey

Thanksgiving dinner should be perfect from start to finish and it will be if you serve these picture-pretty Florida grapefruit halves. Tart and juicy, they're just the thing to accompany a heavy meal.

1. ***First Course or Dessert:***
Cut Florida grapefruit in half; remove core if desired. Cut around each section loosening fruit from membrane. Do not cut around entire outer edge of fruit. Serve plain or with sliced maraschino cherries, or frosted grapes. To frost grapes, dip small bunches of grapes into unbeaten egg white; shake to remove excess. Roll grapes in cinnamon-sugar mixture; chill until dry. Place in center of grapefruit.

2. ***Florida Salad Basket:***
Follow directions for preparing grapefruit halves. Remove sections; cut out dividing membrane. Add sliced pitted grapes and diced apple (leave red peel on for contrast) to grapefruit sections. Spoon into grapefruit shells with garnish of salad greens. Serve with French dressing.

3. ***Baked Grapefruit With Mince Meat Topping:***
Sprinkle each grapefruit half with ½ teaspoon sugar; spread with 1 tablespoon prepared Mince Meat. Dot with 1 teaspoon butter. Bake in a moderately hot oven, (400°F.) 15 to 20 minutes. Serve hot.

Here's Dope On Growing Fruit Trees From Calif. Ass'n. Of Nurserymen

Growing fruit trees in the garden can be among the most satisfying types of gardening, for the home fruit gardener can provide his family with fresh fruit for the table, for canning and for freezing, too.

At one time, the mild winters in California presented a problem in the culture of deciduous fruits. But nurserymen and growers have developed fruit varieties that bear heavily and faithfully throughout the state each season, and these varieties are readily available to gardeners in all of California.

Flowering peaches not only make handsome garden trees but some varieties leave delicious fruit, according to the California Association of Nurserymen. The Daily News group of Peaches includes three varieties that bear continuously through the peach season. They are Two Star, Three Star and Four Star, all of which will provide fruit in July through September.

Altair and Saturn are two excellent fruiting-flowering peach varieties for the garden. They bear big, double pink blossoms in the spring and juicy, freestone fruit in July and August. A newer freestone peach, named Gold Dust, bears its tasty fruit in June.

Nectarines, too, can be successfully grown by the home orchardist. The Freedom Nectarine is a good choice whether you plan to use the fruit for canning, freezing or the table; it bears in August. Silver Lode, a white fleshed freestone Nectarine, opens the season in late June and early July followed by Panament, a yellow fleshed freestone, and Pioneer, orange fresh, in the middle and late part of July.

All these fruit trees are available for planting now in bare-root form. They can be planted singly or in the three-in-one combination. Dwarf trees in many fruit varieties are available for gardens of limited space.

In planting and caring for fruit trees in his own garden the home gardener can adjust the fruit trees to the garden, not the garden to the trees as the commercial orchardist does. For instance, the home fruit gardener can plant his fruit trees against fences and on walls or in rows; he can even crowd them if he makes sure there's plenty of sunlight by proper placement or pruning. Espalier growing is one method of crowded planting that has been successful for centuries

The spray program can be an overall one in the home fruit garden instead of special treatment for each type of fruit trees. And in thinning, the home gardener can work toward bigger and better fruit instead of a great quantity, as commercial fruit growers do.

Fruit trees are generally easy to grow and very satisfying for the gardener and all his family. Nurseries in your locale will be stocked in all the fruit tree varieties best suited for your area, and the trees will be in bare root form now, easy to plant.

Contest Planned For 7th Graders

A $25 Government Savings Bond and 10 trophies will be awarded to the seventh grade students writing the best slogan this month on dental hygiene.

The contest sponsored by the San Diego County Dental Hygienists Association, will close Jan. 25. Seventh grade students in all city, county, private and parochial schools are eligible.

Prizes will be awarded at a luncheon to be given by the San Diego County Dental Society March 6 at the Mission Valley Country Club during National Dental Health Week.

Mrs. Roscoe Poland, president of the hygienists, said the contest has the support of the schools. The contest theme, she said, is looking to the future, acting in the present for better dental health."

She gave these contest rules:

The slogans must be 20 words or less. They may be written in ink or typewritten. Each slogan submitted should include personal signature, grade and name of school.

Principals will forward the three best slogans from each school to Mrs. Poland, 5334 Trinidad Way, for final judging. Slogans will be judged on continuity, grammar and the best original thought on the importance of dental health.

Musical Comedy Closes Saturday

The light musical comedy "On the Town" will close its four-night run tomorrow and Saturday at Roosevelt Jr. High School auditorium.

San Diego State's Musical Comedy Guild opened the show last weekend. Show time is 8:30 p.m. in the school auditorium at Park Blvd. and Upas Sts.

"On the Town," which played on Broadway in 1945, revolves up-on the antics of three companion-seeking sailors on a leave in New York. The large cast includes a dancing chorus and a student orchestra. Director is Ole Kittleson, president and founder of the guild and a Starlight Opera performer.

Delicious Low-Calorie Party Drink

Tell your holiday guests they can enjoy this rich-tasting hot mocha drink with an easy conscience. You'll have to tell them for they'd never for a moment guess that a drink so spicily fragrant and delicious could add up to only a few calories.

Make this delightful concoction according to our streamlined recipe and save 64 calories in every serving! This truly worthwhile calorie-saving is possible because we've prepared the drink with the non-caloric sweetener, Sucaryl, instead of with sugar. Result is that calories have been trimmed down to almost half. Best part is that this sweetener has a natural sugar-like taste, and no one will be able to taste the difference.

You can be sure that, after heavy holiday feasting, everyone will appreciate your serving this calorie-light refreshment.

Hot Spiced Mocha

⅓ cup cocoa
1 tablespoon Sucaryl solution or 24 Sucaryl tablets
1 cup strong coffee
1 quart skim milk, scalded
2 sticks cinnamon

Place cocoa in large saucepan. Combine Sucaryl and coffee; gradually blend into the cocoa, making a smooth paste. Add scalded milk and cinnamon, and bring mixture to a boil. Pour into mugs and, if desired, top with Low-Calorie Whipped Topping*. Stick cinnamon may be used for stirrers.

Makes 6 servings. Each serving contains 76 CALORIES; 6.2 grams protein; 1.6 grams fat; 11.4 grams carbohydrate. If made with sugar, each serving would contain 140 CALORIES.

*To make 1 cup of Low-Calorie Whipped Topping, combine ¼ cup nonfat dry milk solids, ¼ cup ice water and ½ teaspoon Sucaryl solution (or 4 tablets, crushed). Beat on high speed of mixer until of consistency of whipped cream.

Television Series On Mental Health To Start Sunday

The dramatic story of mental health from infancy through adulthood will be the theme of "Balance," a new television series beginning Sunday at 3 p.m. on KFSD-TV, Channel 10.

Dr. Wallace B. Lockwood, president of the San San Diego Mental Health Association, which is sponsoring the series with Channel 10 and the State Department of Mental Hygiene, said the first program will discuss the ABC's of mental health. It will consist of a film, "Mental Health," followed by comments from Dr. Fannie Montalto, San Diego clinical psychologist, and Dr. J. Smith Jacobs, director of pupil personnel services, San Diego County School System.

The 13-weeks' series, subtitled "How We Get To Be Us," will follow this format of featuring outstanding mental health films, accompanied by "live" discussions by competent resource persons from the San Diego area. It is designed to describe the range of normal emotions in everyday living, and will demonstrate how these emotions develop out of an individual's continuing experience from infancy to adulthood.

O.B. Woman's Club

By MARIAN KRETTLER

Much praise to Mrs. Charles E. Hunter, literary chairman of the Ocean Beach Woman's Club, for bringing to her members at Thursday's meeting, George B. Worthington. That very busy man, teacher of social science and U. S. History at Point Loma High found time to be the speaker of the day, and to show his many slides of Spain, that beautiful and romantic country.

This writer had the privilege of talking to Worthington's wife, via phone. In 1953 he won a year's scholarship with the Ford Foundation. Taking his family along ,after Spain the Worthingtons toured Europe, being away from San Diego for 14 months.

The business session was brief. Mrs. H. Bendees, ways and means chairman, announced a card party and luncheon for Jan. 31. There will be door and table prizes and a donation of 75 cents will be acceptable.

A happy tea hour ensued. The committee for the lovely table decorations consisted of Mrs. I. A. Hegerle, Arthur Spencer, Ellis Laubaugh and B. N. Schietzer. Mrs. Hornung and Mrs. James Dodson presided at the urns.
